MISSION STATEMENT

Christ the King Catholic School provides a quality Catholic education supported by the family, the teacher, the parish, and the community and makes a commitment to meet the specific needs of the academic, physical, social, and spiritual development of each student in a Christ-centered environment.

CORE VALUES

Christ the King Catholic School is dedicated to guiding and promoting unity, love, respect, and understanding with the development of a positive attitude towards lifelong education regardless of race, religion, or socioeconomic background.

The school recognizes the rights of individuals as children of God deserving honor and respect.

The purpose of Christ the King Catholic School is to instill the spirit of the living Christ in all students so that they may develop spiritually, physically, academically, and socially into responsible, strong Christians.

The school also promotes healthy self-concepts using consistent, fair discipline and a well-rounded educational program that attempts to meet the needs of all children.

PHILOSOPHY, GOALS AND OBJECTIVES

Christ the King Catholic School, as part of the Catholic Schools of the Diocese of Little Rock, seeks to offer high quality academic programs which are integrated with religious truth and values. Students are prepared for life in today's Church and Society and for leadership in society and the Church of tomorrow through a strong, basic, and contemporary curriculum which includes instruction and formation in the beliefs, values, and traditions of Catholic Christianity.

The development of the whole person of the student: spiritually, intellectually, personally, socially, and physically, is the focus of Catholic education. The teachers, as partners with the parents, play a significant role in this educational ministry as they provide a daily witness to the meaning of mature faith and Christian living. They are selected with care and are challenged to on-going professional and spiritual growth.

Christ the King Catholic School is a Catholic institution committed to the teaching of Catholic doctrines and Christian values and dedicated to providing a quality academic program. The school recognizes the rights of individuals as children of God deserving honor and respect, and works toward the following goals and objectives with the involvement and cooperation of the student s' parents or guardians.

These goals are as follows:

To create a Christian educational community where human knowledge, enlightened and enlivened by faith, is shared by teachers, students, and parents in a spirit of freedom and love.

To develop religious understanding and provide opportunities for personal commitment to religious values through liturgy, sacramental life, prayer, guidance, and example.

To specifically teach Catholic principles and Christian values.

To help each student develop a positive attitude toward lifelong education, including the power to think constructively, to solve problems, and to reason independently.

CHRIST THE KING CATHOLIC SCHOOL

2019-2020 POLICY MANUAL

To foster positive self-esteem and mature responsible behavior with the purpose of arriving at the fullness of Christian life.

To encourage teachers to strengthen their Christian commitment and professional growth.

RELIGIOUS STUDIES

The great truths of the Catholic faith must be taught in the home by parents - first by example, then by precept. Family prayer should be emphasized, for it is one of the surest ways to develop a consciousness in children of the abiding presence of God.

SACRAMENTAL PROGRAM

The sacramental life of the children of the Catholic tradition is an important component of the religion program at Christ the King Catholic School. Preparations for two sacraments, Reconciliation and the Eucharist, are the core of our efforts. In accordance with the diocesan guidelines, candidates for First Eucharist will receive the sacrament of Reconciliation prior to First Eucharist.

Parents are required to be active partners in the preparation of their children for these sacraments. The sacraments of Reconciliation and Eucharist are only conferred to baptized students. (6.06)

MASS AND SPECIAL LITURGICAL CEREMONIES

Students in grades K-6 attend Mass at 8:15 on Friday mornings. On Holy Days, the Mass is at 8:15 in the morning. Preschool 4-year-old classes begin attending school Masses in January. Students participate as altar servers, lectors, gift bearers, greeters/ushers, and participants in the school choir. Mass may be attended on days other than Friday in the event of special feast days or at the discretion of the parish priests. Parents, family members, and parishioners are invited and encouraged to attend school Masses.

Rosary services, Liturgy of the Word, Stations of the Cross, Divine Mercy Chaplet, and other special services will be planned throughout the year. Parents are always welcome to attend and participate.

2019-2020 POLICY MANUAL

The Apostle's Creed (*Grade 2)

I believe in God, the Father almighty, Creator of heaven and earth,
And in Jesus Christ, his only Son, our Lord;
who was conceived by the Holy Spirit,
born of the Virgin Mary
Suffered under Pontius Pilate, was crucified, died, and was buried.
he descended into hell;
on the third day he rose again from the dead;
He ascended into heaven;
and is seated at the right hand of God, the Father almighty;
from there he will come to judge the living and the dead.
I believe in the Holy Spirit,
the holy Catholic Church
the communion of saints,
the forgiveness of sins,
and resurrection of the body,
and life everlasting.
Amen.

Hail, Holy Queen (*Grade 2)

Hail, Holy Queen, Mother of Mercy, our life, our sweetness, and our hope! To you do we cry, poor banished children of Eve; to you do we send up our sighs, mourning and weeping in this valley of tears. Turn, then, most gracious advocate, your eyes of mercy toward us; and after this our exile, show unto us the blessed fruit of your womb, Jesus. O clement, O loving, O sweet Virgin Mary.

Nicene Creed (*Grade 5)

I believe in one God,
the Father almighty,
maker of heaven and earth,
Of all things visible and invisible.
I believe in one Lord, Jesus Christ,
The only Begotten Son of God,
born of the Father before all ages.
God from God, Light from Light,
True God, from true God,
Begotten, not made,
Consubstantial with the Father;
through him all things were made.
For us men and for our salvation
He came down from heaven,
and by the Holy Spirit
was incarnate of the Virgin Mary, and
became man.
For our sake he was crucified
Under Pontius Pilate;
He suffered death and was buried.
And rose again on the third day
In accordance with the Scriptures;
He ascended into heaven
and is seated at the right hand of the Father.
He will come again in glory
To judge the living and the dead,
And his kingdom will have no end.
I believe in the Holy Spirit,
The Lord, the giver of Life,
Who proceeds from the Father and the Son.
Who with the Father and the Son
Is adored and glorified,
Who has spoken through the prophets.
I believe in one, holy,
catholic and apostolic Church.
I confess one baptism
for the forgiveness of sins.
And I look forward to the resurrection
of the dead and the life of the world to come.
Amen.

Penitential Act (*Grade 6)

I confess to almighty God,
and to you, my brothers and sisters,
that I have greatly sinned
in my thoughts and in my words,
in what I have done,
and in what I have failed to do,
through my fault,
through my fault,
through my most grievous fault;
therefore, I ask blessed Mary, ever-virgin,
all the Angels and Saints,
and you, my brothers and sisters,
to pray for me to the Lord our God.
Amen.

Act of Hope (*Grade 6)

O my God, relying on Your infinite goodness and promises, I
hope to obtain pardon for my sins, the help of Your grace, and
life everlasting, through the merits of Jesus Christ, my Lord and
Redeemer. Amen.

Act of Faith (*Grade 6)

O my God, I firmly believe that You are one God in three
Divine Persons: the Father, the Son, and the Holy Spirit. I
believe that Your Divine Son became man and died for
our sins, and that He will come to judge the living and
the dead. I believe these and all the truths which the
holy Catholic Church teaches, because You have
revealed them, who can neither deceive nor be
deceived. Amen.

Act of Love (*Grade 6)

O my God, I love You above all things, because You are
all-good and worthy of my love. I love my neighbor as
myself for love of You. I forgive all who have injured me,

ADMISSIONS AND RECORDS

NON-DISCRIMINATORY POLICY

The Catholic schools in the Diocese of Little Rock admit students of any race, color, national and ethnic origin to all rights, privileges, and activities generally accorded or made available to students at the school. Catholic schools in the Diocese of Little Rock do not discriminate based on race, color, national or ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

While the school does not discriminate against students with special needs, a full range of services may not be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic and physical abilities and the resources available to the school in meeting the student's needs. (Policies and Regulations, Elementary and Secondary Catholic Schools of Arkansas, Diocese of Little Rock, 4.01)

Christ the King staff is committed to meeting the needs of all students, in so far as possible. There are some conditions, however, for which the school cannot provide the necessary resources.

CHRIST THE KING CATHOLIC SCHOOL

ATTENDANCE

Arkansas Code 6-18-201, amended, mandates every parent, guardian or other person residing within the State of Arkansas having custody or charge of any child or children age five (5) through seventeen (17) years on or before August 1 of that year, both inclusive, shall enroll and send the child or children to a public, private or parochial school, or provide a home school for the child or children as described in 6-15-501 et seq. Christ the King Catholic School recognizes that prompt, regular attendance in school is extremely important. Excessive absenteeism and tardiness not only adversely affects the learning process of students but may impede the normal progression of a student through the grades. Pupils are expected to attend all times when school is in session unless illness or an emergency prevents it. Generally, a student who has accumulated 25 days of absences during the school year should repeat the grade, be required to obtain tutoring or help to make up missed material, or attend summer school (if provided). (4.09)

ABSENTEEISM

Parents and guardians shall notify the school office by 9:00 a.m. if a child is absent. After 9:00 am, parents will be contacted by school staff if notification has not been made. When calling to report the absence, you may also request homework to be left in the office or sent home with a brother/sister or friend. **The work may not be picked up in the office until the end of the school day.** Upon his/her return to school, the student is to bring a note stating the reason for the absence.

An excused absence shall afford the student the privilege of making up all assignments and/or class activities as the teachers direct. Official written verification includes signed doctor, dentist, court or legal documents identifying the office and/or the name of the professional who provided the service.

An unexcused absence shall be a willful absence (truant) from school if it is without the knowledge of the student's parent/guardian. Any other absence not considered excused will be counted as unexcused. Any student who is truant or has an unexcused absence forfeits the right to make up any work for credit.

Upon the 5th unexcused absence, in any class within a quarter, a letter will be sent to the parent/guardian notifying him/her that upon the 10th unexcused absence in the same semester, the student may be denied promotion or credit. Before a student accumulates the 10th day of unexcused absence for the semester the student, the student's parents/guardian, may petition the school principal for a conference to address the student's absences (Act 1223 of 2011). When a student has been absent from school for a total of ten days, the principal will arrange a conference with the parents to discuss the possible consequences of continued absences.

Exceptions to this rule will be made in accordance with a student's IEP or 504 plans, Students with long-term, medically documented illness or injury may be allowed to make up work and may be given assistance in obtaining credit for classes missed.

No student may leave the school premises during school or depart from or miss school sponsored functions and events without express permission of the principal. A student who violates this rule will be subject to disciplinary action at the principal's discretion.

When requesting a student to be dismissed from school for any planned reason (i.e. vacations or trips), parents are to submit a written request in advance to EACH of the child's teachers and the principal. Families are strongly

CHRIST THE KING CATHOLIC SCHOOL

2019-2020 POLICY MANUAL

discouraged from planning vacations during school times. Extended absences impede academic progress. NOTE: Teachers are not required to provide lessons and assignments in advance.

MAKE UP WORK: Upon returning to school from an absence, a student must approach his/her teacher and ask for tests and assignments to be made up. For every day absent, a student shall have one school day to complete any missed work. For example: 1 day absent = 1 school day to complete assignments after the student returns; 5 days absent = 5 school days to complete assignments after the student returns.

Exceptions

- All missed work must be made up before the end of a grading period.
- If a test was assigned before the absence occurred, the student will be required to take the test within 1 day after returning to school or as deemed reasonable by the teacher.

Excessive absences may result in a denial of promotion or graduation (ACA 6-18-222). Excessive unexcused absences may result in the filing of a Family in Need of Services (FINS) petition with the juvenile court.

TARDINESS

Promptness is a trait to be developed. Parents, through their efforts and example, help instill this trait in children. Tardiness interferes with a child's progress in school and constitutes a disturbance for all members of the class. A child is considered tardy for school if he/she is not in his/her in the building when the 8:00 a.m. bell rings. If a student attends an appointment, they should present a note from the office upon arrival and the school will record the tardy as excused.

IF A CHILD COMES IN LATE, THE STUDENT **AND PARENT (OR DRIVER)** MUST REPORT TO THE OFFICE FOR A PASS BEFORE GOING TO THE CLASSROOM.

A student who accumulates five (5) or more unexcused tardies per quarter is considered excessive.

EARLY DISMISSALS

For the SAFETY OF THE CHILD, the parent or other authorized person must come to the office to meet the child. An Early Dismissal refers to the removal of a student from school before the end of the school day (3:00 p.m.) for scheduled appointments, lessons, vacations, trips, etc. An early dismissal carries the same weight as a tardy. Presenting a written form verifying an appointment is required.

The tenth (10th) unexcused tardy OR early out in an academic quarter will result in an after-school detention. Excessive unexcused tardiness or early departure may result in further penalties. A Family in Needs of Services petition may be made with the Juvenile Probation Department when any family exceeds 25 days of unexcused tardiness/early removal in a school year.

RIGHTS OF NON-CUSTODIAL PARENTS

Under Arkansas law a non-custodial parent with visitation rights has the right to access all student records that are available to the custodial parent unless the right is specifically limited by the court. Both parents are assumed to have equal custodial rights unless a court order stating otherwise has been presented to school officials. The parents have the burden of furnishing the school with current court orders.

CTK School abides by the provisions of the Buckley Amendment with respect to the rights of non-custodial parents. Parents, who are separated, divorced, or who have never been married are asked to supply a court-certified copy of the custody agreement to the school office.

CHRIST THE KING CATHOLIC SCHOOL

2019-2020 POLICY MANUAL

It is the policy of CTK School and the School Board to afford custodial and non-custodial parents the same access to their children and the same rights and responsibilities toward their children unless a court order supplied indicates otherwise. The non-custodial parent will be given access to all information regarding their students' attendance and participation at CTK School. It is also the policy of CTK School to allow the non-custodial parent access to his/her child during the school day for activities, lunch and transportation to and from school as indicated by the custodial agreement. Any other arrangement is to be provided to the school principal with either a court order or an agreement signed by both parents. If the court order is not on file in the office, it will be assumed that both parents have equal rights.

OFFICE RECORDS

Parents/Guardians are requested to notify the school office in writing of any change of home telephone numbers, addresses, business telephone numbers, and telephone numbers of emergency contacts so that office records may be accurate, complete, and up to date. You may use the form in the appendices to submit information.

REGISTRATION FEE AND TUITION POLICY

Christ the King Church provides an annual subsidy to the school supporting the Catholic Church's commitment to the mission of providing a Catholic education in a quality environment. It is this ongoing support that allows Christ the King Catholic School to keep costs of education at a reasonable rate.

An underlying presumption of this support is that Catholic families also contribute to the life of the Church by way of their time, talent and their treasure. This policy allows Christ the King Catholic School to benefit directly from the financial support of the Church and the contribution of the Catholic family to Church life to determine the appropriate tuition schedule for all families.

As part of the annual enrollment process for new and returning applicants, each family's record of contribution and mass attendance will be re-evaluated at registration to determine the Schedule of Tuition for the new school year. Tuition for each academic year will be based on families' records from the previous year. We encourage you to consider making contributions to the Church by way of the electronic funds transfer (EFT). If you choose this method of contributing, you are encouraged to write "EFT Family" on the front of the giving envelope and place your empty envelope in the offering basket as usual.

2019-2020 POLICY MANUAL

Do not allow your fees to accumulate from month to month. You must contact the principal or pastor for consideration of unexpected circumstances. The school depends upon your timely payment of fees. Student records and academic progress reports will be withheld until all tuition payments and fees have been paid and the account is cleared.

No portion paid or outstanding will be refunded or cancelled except upon proof of illness, job relocation, or other good cause shown. In all other cases of absence, withdrawal, suspension or dismissal, the school reserves the right to settle, compromise or waive a Student's Annual Tuition obligation in such manner as it shall deem advisable in its sole discretion.

ACADEMICS

Christ the King Catholic School will follow diocesan and Arkansas state requirements regarding basic materials, specific courses, and time allotments. Christ the King Catholic School will offer a balanced curriculum including religion, language arts (English, reading, literature, oral and written communication, handwriting, spelling, and phonics), science, mathematics, social studies (history, geography, civics, economics, Arkansas History), art, music, physical education, Spanish, technology and such electives as deemed practical and helpful. A planned instructional program will lead to discovering and developing the abilities of each student.

GRADING

Grades are determined by a combination of daily work, homework, and test scores. Therefore, it is imperative that students complete given assignments and take required tests. Credit cannot be given to a student who has not performed assigned tasks.

It is the responsibility of a student to ask for any make-up work incurred by absence. Upon returning to school from an absence, a student must approach his/her teacher and ask for tests and assignments to be made up. A grade of zero will be given for a test or assignment not completed.

REPORT CARDS AND PROGRESS REPORTS

Pupil progress is reported to all parents four times each year at the end of each nine-week grading period.

Parents can monitor student progress through FACTS by creating an account through <https://factsmgt.com/parents>. Progress Reports will be e-mailed to parents of students in grades 2-6. Mid-term and end of quarter dates are listed on the school calendar.

All report cards require the signature of the parents before they are returned to the teacher. Parents should be aware of the times when report cards are distributed. The school calendar lists the end of each quarter. Report cards are distributed within a week after the quarter ends.

When failure seems inevitable, parents shall be properly notified in advance.

CHRIST THE KING CATHOLIC SCHOOL

2019-2020 POLICY MANUAL

The following grading scale for Christ the King Catholic School second through sixth grade students is used:

LEARNING DIFFERENCES

Christ the King Catholic School desires to meet the academic needs of all children. Children with special needs as determined by psychological and/or medical evaluations will be accepted on a probationary basis to allow the school staff and parents sufficient time to determine whether the school can make reasonable accommodations to meet the needs of the child before final acceptance.

Teachers work closely with students and parents to provide modifications and accommodations in programming to serve students who qualify as learning disabled as determined by professional and appropriate evaluations. Teachers confer with other staff members to ensure a student's physical, academic, and social needs are met across the curriculum.

PROMOTION AND RETENTION POLICY

Advancement to the next level at Christ the King Catholic School is based on a student's daily performance, test results, recommendations of teachers, and his/her ability to complete work successfully on a more advanced level. Promotion to the next grade level depends on successful completion of all subject areas. The administration may recommend the repetition of a level, tutoring, or summer school classes as a requirement for promotion when, after conferences with teachers and parents, it is believed that such action will better prepare the student academically or emotionally for the next level.

STUDENT/PARENT/TEACHER CONFERENCES

Informal conferences with the teacher about a student's progress are always welcome. These can be arranged by calling the school office and leaving a message for the teacher or emailing the teacher to make a mutual arrangement. Formal Student/Parent/Teacher Conferences will be held twice per year. Attendance of formal Student/Parent/Teacher Conferences is mandatory for parents. Students may or may not attend conferences.

HOMEWORK AND STUDY ASSIGNMENTS

Home assignments, whether written or study work, are a necessary part of each student's educational program. One of the most important objectives of education is to teach the student how to study. Homework is assigned to help students become self-reliant and self-directed. Assignments are designed to reinforce daily lessons, to supplement and enrich classwork, and to prepare for certain lessons through various experiences. Parents can do much to help their child attain these objectives by:

- Providing an atmosphere conducive to study.
- Scheduling a definite time for study.

CHRIST THE KING CATHOLIC SCHOOL

2019-2020 POLICY MANUAL

- Showing an interest in the child's work.
- Realizing that homework does not solely consist in written work, but that both written and study work are important.
- Expecting the child to have his assignments for homework written down.
- Checking with the teacher if the student repeatedly says he has no homework.

Home study time varies per the needs of the individual child. Below is a list of recommended home-study times:

Grade 1	10-20 minutes with 30 minutes of reading nightly
Grade 2	20-30 minutes with 30 minutes of reading nightly
Grade 3	30-40 minutes with 30 minutes of reading nightly
Grade 4	40-50 minutes with 30 minutes of reading nightly
Grade 5	50-60 minutes with 30 minutes of reading nightly
Grade 6	60-75 minutes with 30 minutes of reading nightly

Children will not be permitted to call home for forgotten assignments. When a student is absent, a parent should call the school office before 9:00 a.m. to report the absence and to request homework assignments. Homework may be sent home with a friend or sibling or picked up in the school office between 3:00 and 4:00 p.m.

WEEKLY TAKE-HOME FOLDERS

At the end of the week, each student will bring home a "Friday Folder" containing his/her week's work - both homework and class work - along with information and communication from the school. ALL communication or flyers from individuals or organizations must be cleared through the school office. Parents are asked to look over the folder with their student each Friday or as soon as possible. If there are any papers that have "Sign and Return" on them, please go over them with your child and help them to make corrections, sign the form, and return papers to school in the Friday Folder. Parent should sign and date the folder and return the folder to school the following Monday.

AWARDS

Honor Roll: Christ the King Catholic School rewards academic achievement through recognition on the Honor Roll. To be considered for the **Principal's Honor Roll**, a student in grades four through six must have A's in all his/her academic subjects and an "S" (Satisfactory) in all non-academic subjects and conduct for the quarter. To be considered for the **Christ the King Honor Roll**, a student must have grades of A's or B's in all his/her academic subjects and an "S" (Satisfactory) in all non-academic subjects. A student will not be named to the Honor Roll with an unsatisfactory or below average grade in Conduct or Study Skills.

President's Award for Academic Achievement: Students in the sixth grade could receive the *President's Award for Academic Achievement*. Students may receive this award in recognition for *academic success in the classroom during the fourth through sixth grades*. To be eligible for the President's Award for Academic Achievement, students at each award level (elementary, middle, or high school) must meet all requirements. Standards for the award are to be established by each school that reflects a 90 percent level or higher on the traditional grading scale. This category enables school personnel to use new assessment and evaluation tools in developing award criteria at their school and apply the criteria fairly to all students. The primary indicators of excellence must be based on high academic achievement as measured by high achievement in reading or math on state tests or nationally-normed tests.

DISCIPLINE and CHARACTER DEVELOPMENT

DIOCESE OF LITTLE ROCK POLICIES AND REGULATIONS MANUAL

One of the assets of a Catholic education is the opportunity for students to learn the value and practice of self-discipline. The meaning of self-discipline is: a person’s ability to wait, think, and delay personal gratification for the good of the individual, other persons, or a group.

In contrast to self-discipline, persons in authority through consequences and/or rewards define discipline as the direct control of behavior. Discipline is imposed when a student chooses not to be self-disciplined.

The purpose of discipline is to develop personal responsibility, to communicate rules and regulations, to teach courtesy and respect for self and others, to establish a positive learning environment, and to instill self-discipline. Reasons for rules should be clearly understood by adults and students. Rules are designed to uphold the purpose and mission of the school, to ensure the safety of each person, and to build an environment where learning occurs.

Below are SCHOOL RULES that affect the daily living of the school community:

- RESPECT YOURSELF, OTHERS, AND ALL PROPERTY
- CONTRIBUTE TO THE LEARNING ENVIRONMENT
- FOLLOW SCHOOL AND CLASSROOM PROCEDURES
- PRACTICE SELF- DISCIPLINE SKILLS

SELF-DISCIPLINE SKILLS Self-discipline skills will be emphasized to students.

- | | |
|---|--|
| Can listen. | Can be trained to be a leader. |
| Can follow instructions. | Can learn the essentials of good communication skills. |
| Can ask questions when something is not understood. | Can set their own schedules and time limits. |
| Can share. | Can work together to resolve problems. |
| Can be trained in the essentials of social skills. | Can take the initiative to resolve problems of mutual concern. |
| Can work cooperatively with others. | Can distinguish fact from feeling. |
| Can understand and explain the reasons for rules. | Can sacrifice from a motive of love. |
| Can select and develop procedures for accomplishing an objective. | |

CONDUCT

Good classroom discipline is first and foremost the responsibility of the classroom teacher.

Corporal punishment is contrary to diocesan policy and is not to be used as a means of student control. Emphasis is placed on positive values rather than negative. When violations do occur, each case will be dealt with patiently, with respect to the personal dignity of the student, the teacher, and all who have been offended by the student’s misconduct.

Means of coping with problem situations are to deny privileges to a misbehaving student, to redirect student’s behavior and bring back on task, to talk to student in private, to inform parents or guardians, to seek positive help for the student from the Principal and/or Pastor.

Serious or continuous disciplinary problems will be referred to the principal, and parents will be notified of the infractions and of the disciplinary action taken.

If a student cannot be helped through any of the above means, the principal will follow the procedures for suspension or expulsion as outlined in diocesan policy 4.31, SUSPENSION; 4.32, EXPULSION.

Children with temperatures of 100 degrees or higher should stay home from school. They should not return until they have had a normal temperature for 24 hours (fever-free w/o Tylenol, etc.). Children who have been prescribed antibiotics for contagious diseases such as strep throat, tonsillitis, or bronchitis should not return to school until they have taken the medication for 24 hours. Children who are vomiting or have diarrhea should stay home. The 24-hour rule is a good guideline here, too. Pain relievers ARE NOT AVAILABLE in the school office.

If your child has been ill, he/she may not be permitted to stay in at recess. Send them dressed appropriately for the weather because they will go outside at recess. The teachers have outside duty and they may not leave the students in the classroom, library, etc., unsupervised. If they are too sick to go out at recess, please keep them home.

If a child's lunch has not arrived by the time his/her class eats lunch, a tray will be ordered for the child.

EMERGENCY CLOSINGS

School closings because of inclement weather will be announced on major radio and television stations. Parents/guardians will be notified via text message, phone call and /or email message as indicated with Remind 101. ALL decisions regarding Emergency Closings, Emergency Early Dismissals, and Delayed Openings are made by the

Parent Classroom Involvement

Homeroom parents are volunteers who assist the teachers with classroom activities and parties. During the school year, two parties are held to celebrate All Hallows Eve and St. Valentine's Day. The parents provide the refreshments for the students and help plan and supervise the party. Activities such as field trips are also ways the parents assist the teacher. At times, the homeroom parents are asked to coordinate transportation for the students to attend various off-campus activities. No birthday parties for individual students are to be held at school during school hours.

Like a prescription, the doctor must include child’s name, birthdate, name of medicine, instructions on dosage, and times to administer for all over-the-counter medication.

COMPLAINTS

ANY PERSON FEELING AGGRIEVED CONCERNING ANY MATTER CONNECTED WITH THE SCHOOL WILL CONTACT THE INDIVIDUAL CONCERNED BEFORE DISCUSSING IT WITH OTHER PATRONS.

1. If a person has a complaint about a teacher, the individual will go first to the teacher to seek a solution to the problem.
2. If the matter cannot be resolved satisfactorily, the person will contact the principal for an appointment.
3. If the problem is still not resolved, the person will contact the pastor to discuss the matter.
4. If no solution is found to the problem, the matter will be referred to the superintendent.
5. School Board members *are not to attempt to solve* problems but are to refer the aggrieved person to the above procedure. If a board member is approached, he/she will notify the principal.

ROLE OF PARENTS

“Since parents have conferred life on their children, they have a most solemn obligation to educate their offspring, hence parents must be acknowledged as the first and foremost educators of their children. Their role as educators is so decisive that scarcely anything can compensate for their failure in it. It is particularly in the Christian family, enriched by the grace and sacrament of matrimony that from their earliest years children should be taught, according to the faith received in baptism, to have knowledge of God, to worship Him, and to love their neighbor. While belonging primarily to the family, the task of imparting education requires the help of society as a whole. As for Catholic parents, the Council calls to mind their duty to entrust their children to Catholic schools, when and where this is possible, to support such schools to the extent of their ability, and to work along with them for the welfare of their children.”

INTERNET, ELECTRONIC MAIL, AND SOCIAL NETWORKING USAGE POLICY FOR STUDENTS

Student Agreement & Parent Permission Letter

To gain access to e-mail and the Internet, all students must sign and return this form.

Access to e-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with internet users throughout the world. Families should be warned that material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. The intent is to make Internet access available to further educational goals and objectives. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration exceed any disadvantages. But ultimately parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media information sources. The school supports and respects each family's right to decide whether to apply for access.

School Internet and E-mail Rules

Students are responsible for behavior on school computer networks just as they are in a classroom or school hallways.

The network is provided for students to conduct research and communication with others. Access to network services is given to student who agrees to act in a considerate and responsible manner. Parent permission is required for students under the age of 18. Access is a privilege – not a right and entails responsibility. Individual users of the school computer networks are responsible for their behavior and communication over the networks. It is presumed that users will comply with school standards and will honor the agreement that they have signed. Beyond the clarification of such standards, the school is not responsible for restricting, monitoring, or controlling the communications of individuals utilizing the network.

Network administrators may review files and communications to maintain system integrity and ensure users are using the system responsibly. Users should not expect that files stored on school servers would always be private. There should be no expectations of privacy when using the school computers, computer network or computer system.

Within reason, freedom of speech and access to information will be honored. During school, teachers will guide students toward appropriate materials.
